How can I get involved in your community?

The best way to be involved is to become a member. Our members enjoy a wide range of benefits, including setting TGEU's direction and goals, and access to member-only training, consultations, and resources.

As a member, you can:

- **Connect to the movement** through our mailing list, including trans-info Europe and TGEU members, and our Newsletter: be the first to learn about relevant developments and opportunities, and stay in touch with trans activists from all over Europe and Central Asia.
- Attend the **European and Central Asian Trans Council**: this is the largest gathering of trans activists in Europe and Central Asia. The Council is held every two years to align joint goals and strategies.
- **Vote for TGEU leadership and direction**: every two years, TGEU members vote for our Board, as well as approve our strategic direction. Members are also eligible to run to become Board Members.
